RETIREMENT AND GROUP INSURANCE

Currently, the Group Insurance Board (GIB) must offer to state employees and annuitants long-term care insurance policies that have been approved for offering under contracts established by GIB if an insurance company requests that the policy be offered. This bill eliminates the authority of an insurance company to require GIB to offer its long-term care insurance policy.

***** ANALYSIS FROM -1166/1 *****

This bill specifies that the Health Insurance Risk-Sharing Plan Authority (HIRSPA) is not required to pay employer contributions for any benefits related to the sick leave conversion program or the supplemental health insurance premium credit program, which are administered by DETF. Employees of HIRSPA are not eligible for these programs.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
